## ITF WHEELCHAIR TENNIS RANKING SYSTEM

The ITF Ranking Department has developed the following ranking points structure for the Singles and Doubles Main Draw (men, women, quads and juniors), the Singles Consolation Draw (men, women and quads) and the Singles and Doubles Second Draw (men and women and quads where applicable).

The ITF Wheelchair Tennis ranking is calculated by combining the points of the top nine (9) tournaments for men, the top eight (8) tournaments for women and the top seven (7) tournaments for quads, based on a 52 week roll-over period. All men, women and quads must have competed in a minimum of two events and have earned points from the two events to obtain a ranking.

The ITF Wheelchair Tennis Junior Ranking is composed of 25\% of points from the eligible adult ranking points (see section 47. ITF Wheelchair Tennis Ranking System) and all junior ranking points. For juniors, a ranking is obtained after having competed in one event.

The following draws of any tournament are eligible to gain points on the ITF Wheelchair Tennis ranking:-

## Grand Slam Events

- Men's, women's and quad main draws, singles and/or doubles.

## SS and ITF 1 - Futures Events

- Men's Main Draw and Second Draw, singles and doubles.
- Quad and Women's Main and Second Draws (where applicable), singles and doubles.
- Men's, women's and quad Main Draw singles consolation winner and runnerup; and semi-finals at Super Series events only.

## Points Allocation

- A player is awarded points according to the round achieved.
- A player losing in the pre-round is awarded one (1) point.
- A player losing in the first round is awarded two (2) points.
- A player who receives a "bye" in the first round and loses in the second round receives two (2) points.
- A player who receives a "walkover" in the first round, and loses in the second round, receives second round points.
- A player who is deemed a "No Show" in the first round will receive no points and no prize money for that draw.
- There are no separate point tables for doubles. The same line of points will be allocated as for the singles draws.

## Tied Ranking

When two or more players have the same total number of points, ties shall be broken as follows:

1. The number of events played e.g. the player with the least number of events played will be ranked higher.
2. If two or more players are still equal, players will be ranked based on the classification of tournaments where points have been won e.g. SS and ITF 1 receive higher recognition.
